Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322 or 1.323.

The alleged error on the Title page, item [30] with respect to the omitted priority claim, it is clear that the Manual statement, in accordance with the statutory requirement, requires the filing of a claim of priority in the continuing application. Absent of such a claim, statutory requirement have not been met. Therefore, no correction is in order here under Rules 1.322 and 1.323.

No documents can be found for such Foreign Application Priority Data.

A certificate of correction will issue to correct the remaining error noted in your request.

In view of the foregoing, your request is hereby denied.

Further correspondence concerning this matter should be filed and directed to decisions and Certificates of Correction Branch. Any response must be filed within a four week period along with fee of \$100.00.
